COMPLETE CARE

This warranty covers your laptop for up to two instances of accidental damage (during normal use scenarios) during the warranty period. If more than two accidental damage claims are made on the system, you may be charged to cover parts, shipping, and labor expense.

1 Students who would like additional financing in order to purchase computers, tools, etc. may do so with a private alternative loan. Students can learn more about alternative loans by visiting our Web Site at www.alfredstate.edu/my-finaid and click on Alternative Loans located on the right hand side of the Web page. The Financial Aid Office will not certify any alternative loan requests without a completed Alternative Loan Financing Worksheet. This form is available for download on the alternative loan Web page. For any questions regarding alternative loans contact the Financial Aid Office at 1-800-4-ALFRED Option 2 or e-mail fa@alfredstate.edu.

If using financial aid, when you receive your bill (1st week of July), we recommend increasing the Campus Spending Account (CSA) by the amount of the laptop and tax. This will enable you to use the CSA account (our on-campus debit/I.D. card) to purchase the laptop when it is activated on Tuesday, August 16, 2011.
